

SUMMARY OF QUALIFICATIONS

Accomplished **Acoustics / Soundproofing Engineer** with over 10 years of professional experience in the field – especially in Industrial Noise Isolation – which have resulted in a master-level technical expertise.

- ▶ Efficient in cost control and individual needs assessment.
- ▶ Outstanding analysis, troubleshooting, and problem-solving abilities gained through years of successful teamwork.
- ▶ Detail driven with outstanding interpersonal communication skills and proven success interfacing with both customers and sub-contractors.
- ▶ Proficient in Microsoft Office, Systèmes 0.1 dB, Acoubat, and Autocad; fluent in French, professionally competent in English, and familiar with German.

PROFESSIONAL EXPERIENCE

ALMOSTACOMP – Paris, France 1992 – Present

Executive Manager, *in charge of Industrial Acoustics*

- Founded commercial agency / sales office in Paris, including the development and management of a client portfolio worth over €900,000.
- Compiled network of 15 subcontractors to manage and survey sites for material fabrication and installment.
- Conducted ongoing acoustical resonance studies; measuring and analyzing data to compile reports and plan necessary project specifications.
- Formulated estimates for proposed soundproofing solutions according to client constraints and objectives.
- Managed and directed job sites from plan conception to project completion on individual assignments valued at over €600,000.
- Major customers included RABBA, DABBA, DOOBA, WHOISTHIS, FARSTORMIN, TIEMENSA, ELIOKEME, PATERTILLARE, RICHELIND, BARRIERE, BENERIA, AND SNECMAS.

YOU KNOW SOLUTIONS – Paris, France 1983 – 1992

Sound Engineer

- Studied noise impact of railway and air traffic on site of new city of Senart.
- Developed sound charts to analyze and address troublesome amplitudes of particularly resonant frequencies.
- Oversaw all acoustic research conducted in order to rehabilitate and construct buildings appropriately.
- Took measurements and constructed acoustic models of spaces and auditoriums, including M6 Headquarters, the Youvren Museum, and Gambonte Cinemas.

WHATCHAWANT, INC. – Bordeaux, France 1976 – 1983

Intern, *Research & Development Department*

- Conducted survey of studies on Industrial and Environmental Acoustics.

EDUCATION

Bachelor of Science, *Architectural & Urban Studies* – PARIS VII UNIVERSITY, Paris, France 1994

Cambridge First Certificate, *Mastered all languages under required time limit.* 1992

Bachelor of Science, *Physical Engineering* – PAUL SABATIER UNIVERSITY, Nowhere, France 1991
